The image displays a LEGO Super Mario 2: The Minion Game set, specifically page 218 of the instruction manual. The scene is a complex assembly of various Mario game elements built from LEGO bricks. On the left, a large red Piranha Plant is mounted on a green base. In the center, a purple Piranha Plant is similarly mounted. To the right, a green tree-like structure with a brown trunk and green foliage is visible. A path of green and blue bricks leads through the scene, featuring a Goomba enemy, a Koopa, and a Piranha Plant. A small inset image shows a green and brown brick assembly. Arrows point to specific locations where this assembly should be placed: one on the red Piranha Plant's base, one on the purple Piranha Plant's base, and one on the tree structure. The background is a light blue sky with a white cloud.
